REQUEST TO CORRECT INVENTORSHIP UNDER 37 CFR § 1.48(a)

12/01/2005 LLANDGRA 00000052 10523706

02 FC:1464 Dear Sir:

130.00 QP

Applicants hereby request the addition of inventor Kim Lickteig to the instant application. Kim Lickteig should be listed as an inventor of the claimed subject matter of U.S. Patent Application No. 10/523,706, which is a national stage application (35 U.S.C. § 371) of International Patent Application No. PCT/US03/24561.

The oversight in omitting Kim Lickteig as an inventor was due to an inadvertant error in the documents submitted with the original International Patent Application No.

PCT/US03/24561, which entered the U.S. National Stage as U.S. Patent Application No. 10/523,706 (February 4, 2005). The error in inventorship occurred without deceptive intent of the Applicants.

With this Request, Applicants have submitted: (1) a Statement of Kim Lickteig that the error in inventorship occurred without deceptive intent; (2) a copy of the Declaration under 37 CFR § 1.63 filed with the U.S. Patent and Trademark Office on March 16, 2005; (3) a Written Consent of the Assignee; and (4) the required processing fee.

Applicants enclosed a check of \$130.00 for the processing fee set forth in 37 CFR § 1.17(i). It is believed that no further fee is due in connection with this filing; however, if a further fee is due, please charge our Deposit Account No. 13-2490.

Respectfully submitted,
McDonnell Boehnen Hulbert & Berghoff LLP

Date: November 28, 2005
